### **Skanska signs supplemental award for data center in Georgia, USA, for USD 80M, about SEK 840M**

**Skanska has received a supplemental award with an existing client to build additional data halls at a data center in Georgia, USA. The supplemental award is worth USD 80M, about SEK 840M, which will be included in the US order bookings for the third quarter of 2024.**

The project is the construction of four additional data halls on a previous data center site in Georgia.

Work is underway and is scheduled for completion in the third quarter of 2025.
