Skanska builds office and storage facilities in Sweden for about SEK 550M

Skanska has signed an agreement with The Swedish Fortifications Agency to build offices, warehouses and workshops. The agreement is worth approximately SEK 550M, which will be included in the order bookings for Skanska Sweden in the fourth quarter of 2022.

The project covers approximately 25,000 square meters. Construction work will start in the beginning of 2023 and everything should be completed by the summer of 2025.
