Skanska signs contract to build hospital addition in Queens, NY, USA, worth USD 90 M, about SEK 585 M

Skanska has signed a contract with The Mount Sinai Hospital to build their new Ambulatory Care Pavilion in Queens, New York, USA. The contract value is USD 90 M, about SEK 585 M, and will be included in order bookings for Skanska USA Building for the second quarter of 2013.

Skanska will build an about 11,000 square-meter polyclinic addition to the existing hospital, which will also be renovated.

The project begins in July 2013 and is expected to be completed in summer 2016.

Skanska USA is one of the leading development and construction companies in the country, consisting of four business units: Skanska USA Building, which specializes in building construction; Skanska USA Civil, specialized in civil infrastructure; Skanska Infrastructure Development, which develops public-private partnerships; and Skanska Commercial Development, which develops commercial projects in select U.S. markets. Headquartered in New York, Skanska USA has approximately 8,300 employees and its 2012 revenues were SEK 37.3 billion.
