Skanska signs additional contract for manufacturing facility in Western USA for \$35 million

Skanska has signed an additional contract with an existing client to construct a manufacturing facility in Western USA. The contract is worth \$35 million which will be included in the US order bookings for the third quarter of 2019.

Construction is underway with completion scheduled in December 2020.

Skanska is one of the leading construction and development companies in USA, specializing in building construction, civil infrastructure and developing commercial properties in select U.S. markets. Skanska USA had sales of SEK 67 billion and about 9,000 employees in its operations in 2018.
