### **Skanska builds school in North Carolina, USA, for USD 78M, about SEK 770M**

**Skanska has signed a contract with the Wake County Public School System to build a new middle school in Fuquay-Varina, North Carolina, USA. The contract is worth USD 78M, about SEK 770M, and will be included in the US order bookings for the third quarter of 2022.**

The contract for the final phases of a multi-phase contract, covers construction of a 74,000 square meter middle school, with an outdoor athletic facility, two full gymnasiums, classroom spaces including science rooms and fine arts, a theater, media center and dining facility.

Work began in May 2022 and is scheduled for completion in 2024.
