Onessimo Promoted to Vice President of Business Development

Skanska USA Building Inc. announces that Laura Onessimo has been promoted to vice president of business development. Onessimo will be based in the Boston, Mass. office responsible for managing the sales and marketing program. Previously, Onessimo was director of business development.

Onessimo has more than eight years of experience working for Skanska and is a member of NEWIRE (New England Women in Real Estate) where she serves as a Steering Committee member. She is also an active member of NAIOP and ULI. Previous to Skanska, Onessimo was employed by Anderson-Nichols, an Architectural/Engineering firm in Boston.

Skanska USA Building Inc. is a leading national and local provider of construction, pre-construction consulting, general contracting and design-build services to a broad range of U.S. industries including life sciences, healthcare, education, high-tech, aviation, transportation and sports and entertainment. Skanska USA Building also provides pharmaceutical validation services to clients. The company, part of the Skanska AB global group of companies, is headquartered in Parsippany, New Jersey, and has approximately 4,100 employees.

Skanska is one of the world's leading construction groups with expertise in construction, development of commercial and residential projects and public-private partnerships. Skanska is committed to finding innovative solutions by cooperating closely with customers and combining the company's international expertise with local presence. The Group currently has 54,000 employees in selected home markets in Europe, in the U.S. and Latin America. Sales in 2005 totaled \$17 billion.
