Kevin Hutchinson new Senior Vice President of IT at Skanska

Kevin Hutchinson has been appointed the new Senior Vice President of IT at Skanska AB. He is currently the Chief Information Officer at Skanska USA. Kevin Hutchinson will take on the position as of April 1, 2012. Kevin Hutchinson will succeed Magnus Norrström, who has decided to go back to the IT consultancy business.

“Kevin Hutchinson has the leadership profile we are looking for, knows Skanska’s business and has experience from running a central support function across business units. Also, I wish to thank Magnus Norrström for his key contribution to developing Skanska’s IT functions and wish him the best”, says Johan Karlström, Skanska’s President and CEO.
