### **Skanska to build office in Norway, for NOK 340 M, about SEK 360 M**

Skanska has signed a contract with Ferd Eiendom AS to build an office property of 19,000 square meters outside Oslo. The contract is worth NOK 340 million, about SEK 360 million, and will be included in the order bookings for Skanska Norway in the fourth quarter 2015.

The Asker Tek building will have BREEAM Very Good certification. Construction will begin in February 2016 and is expected to be completed by December 2017.

Skanska Norway focuses on construction and civil engineering operations. The unit has approximately 4,000 employees. In 2014, Skanska Norway reported revenue of SEK 13 billion. In Norway, Skanska is also active in development of residential, commercial properties and public private partnerships (PPP) projects.
