Skanska Promotes Don Rogers to Vice President

Skanska USA Building Inc. announced the promotion of Don Rogers to Vice President.

During Rogers' 12 years with Skanska he has garnered extensive experience in healthcare, higher education and K-12 construction. He played a significant role in the 240,000 square foot West Addition at William Beaumont Hospital – Troy, Mich., that added an endoscopy center, obstetrics, labor, delivery and post-partum units, an expanded surgical department, new surgical patient rooms and hospital and administrative offices. He has also led projects that include an addition to Mt. Clemens General Hospital, renovations and additions to the University of Detroit Jesuit High School & Academy and construction of the 290-room Marriott Hotel at Centerpoint in Pontiac.

He is currently working on several projects at the University of Michigan including a Solid State Electronics Lab, the Walgreen Drama Center & Stamps Auditorium, and the Alumni Memorial Hall Museum of Art expansion and renovation.

Rogers has a Bachelor of Science degree in Construction Engineering from Lawrence Technological University and is a Professional Engineer registered with the State of Michigan.
