## **For Immediate Release**

### **Skanska Hires New Vice President of Business Development** *Phillip Goodman joins Skanska with 22 years of experience*

**SEATTLE (Nov. 05, 2008)** — Skanska USA Building Inc. announced today that Phillip Goodman has joined Skanska as Vice President of Business Development.

Goodman brings 22 years of industry experience to the firm. Most recently, he worked as Assistant Vice President of Real Estate and Workplace Services with Safeco Insurance for the past four years. His background also includes 17 years with two design firms in Seattle, Callison and MulvannyG2 Architecture.

Goodman holds a Bachelor of Architecture degree from the University of Oregon and a Master of Business Administration from the University of Washington. He received his certificate in Project Management from San Diego State and is a registered architect in Washington and California.

Skanska USA Building Inc. is a leading national and local provider of construction, pre-construction consulting, general contracting and design-build services to a broad range of U.S. industries including life sciences, healthcare, education, high-tech, aviation, transportation and sports and entertainment. Skanska USA Building also provides pharmaceutical validation services to clients. The company, part of the Skanska AB global group of companies, is headquartered in Parsippany, New Jersey, and has approximately 4700 employees.

Skanska is one of the world's leading construction groups with expertise in construction, development of commercial and residential projects and public-private partnerships. The Group currently has 60,000 employees in selected home markets in Europe, in the U.S. and Latin America. Headquartered in Stockholm, Sweden and listed on the Stockholm Stock Exchange, Skanska's sales in 2007 totaled \$20 billion.
