Jay Weisberger, Director of Communications, Skanska USA, tel: +1 206 494 5469

Skanska USA is one of the largest, most financially sound construction and development networks in the country, serving a broad range of industries including healthcare, education, sports, data centers, government, aviation, transportation, power, energy, water/wastewater and commercial. Headquartered in New York with 36 offices across the country, Skanska USA employs approximately 9,400 employees committed to sustainable construction and development and an injury-free workplace. Skanska USA Building, which specializes in building construction, and Skanska USA Civil, which focuses on civil infrastructure, generated \$4.9 billion in revenue in 2011, representing 28 percent of Skanska's global construction revenues. Development units Skanska USA Commercial Development, which invests in and develops office and multi-family projects in select U.S. markets, and Skanska Infrastructure Development Americas, which develops public-private partnerships, are both leaders in their selected markets. Global revenue of parent company Skanska AB, headquartered in Stockholm and listed on the Stockholm Stock Exchange, totaled \$18.9 billion in 2011.
