

Award-winning construction in schools

"...something genuinely different... not just the same school in a shiny new building."

Carol Skewes, head teacher,
Cornelius Vermuyden School

Every space is a learning space.

Cornelius Vermuyden School

Results improved, demand for places up.

Cornelius Vermuyden School

Three of the highest scores for design given by CABE (the UK government's Commission for Architecture and the Built Environment).

Cornelius Vermuyden School

"We spent two years working on a building site... We always had a strong relationship with Skanska and we always looked for solutions to the things that came up."

Carol Skewes, head teacher,
Cornelius Vermuyden School

A completely new relationship between the school and its community.

Columbus School and College

Greater dignity for students, better safety and individualised care in bespoke space. "We can now provide a far broader curriculum."

Ginny Bellard, principal,
Columbus School and College

Three industry awards for use of building information management – streamlined construction leading to more efficient facilities management.

Woodlands School

"Skanska is a great contractor to work with – honest, helpful, transparent and professional."

Supply chain manager,
Essex County Council

World-class facilities in arts, sport and science, right in the town centre.

Castle View School

"The architecture is open, light and invitational."

Gill Thomas,
head teacher,
Castle View School

The latest infrastructure keeps everything running smoothly behind the scenes.
