Skanska signs contract to Upgrade Stamford Hospital Infrastructure in Stamford, USA, for USD 56 M, about SEK 380 M

Skanska has signed a contract to upgrade infrastructure at the Stamford Hospital Campus for USD 56 M, about SEK 380 M, which will be included in the order bookings for Skanska USA Building for the third quarter 2012.

Skanska will provide significant infrastructure upgrades at the Stamford Hospital Campus, including building a new 3,100 square-meter central utility plant, and additional surface parking lots, as well as site work including utilities. The project began in summer 2012 and is expected to be fully completed in August 2016.

Skanska USA is one of the leading development and construction companies in the country, consisting of four business units: Skanska USA Building, which specializes in building construction; Skanska USA Civil, specialized in civil infrastructure; Skanska Infrastructure Development, which develops public-private partnerships; and Skanska Commercial Development, which develops commercial projects in select U.S. markets. Headquartered in New York, Skanska USA has approximately 9,400 employees and its 2011 revenues were SEK 31.3 billion.
