## **Skanska signs lease with Societe Generale European Business Services at Campus 6 in Bucharest, Romania**

**Skanska has signed a lease with Societe Generale European Business Services for 10,500 square meters and 57 parking places in the third building of the Campus 6 project in Bucharest, Romania. The tenant will start to take occupancy in the fourth quarter 2020. With this lease the building is now 91 percent occupied.**

The office building is expected to receive LEED Gold and WELL certifications. The whole complex brings added value to the local community with a publicly accessible green area where tenants, employees and guests can work, meet and relax. Located in the central-western submarket of Bucharest, Campus 6 will comprise, at its entire delivery, four office buildings with a leasable area of about 81,000 square meters.

Skanska began construction of the office buildings Campus 6.2 and 6.3 in December 2018 and they will be completed in the third quarter of 2020.

Skanska is one of the leading development and construction companies in Europe. Outside the Nordics, the company has European operations in building construction and civil engineering in Poland, Czech Republic & Slovakia and UK. Skanska develops commercial properties in select home markets in Poland, Czech Republic, Romania and Hungary, while the residential development is active in Prague and Warsaw. In 2018, Skanska had sales of SEK 36 billion and about 14,200 employees in its European operations.
