Skanska invests DKK 255 M, about SEK 306 M, in office buildings in Copenhagen, Denmark

Skanska invests DKK 255 M, about SEK 306 M, in two office buildings in Copenhagen, Denmark.

The two office buildings, Plaza II and Plaza III, with a total area of almost 14,000 square meters will be constructed on Havneholmen, Copenhagen. Pandora A/S has signed a leasing contract for the entire area.

Construction work has already started and will be completed in April 2016.

Skanska Commercial Development Nordic initiates and develops property projects in offices, logistics, business premises and commercial buildings. The company's operations are concentrated in the three metropolitan regions in Sweden, the Copenhagen region in Denmark, the Oslo region in Norway, as well as Helsinki in Finland. The development of logistics and volume retail properties is conducted in strategic locations in Sweden, Denmark and Finland.
