Skanska signs additional contract for USD 47M, about SEK 315 M, for office building in Boston, USA

Skanska has received an additional contract of USD 47M, about SEK 315 million, for commercial interiors for Skanska USA Commercial Development's existing office building project in the Seaport District in Boston, USA. The order will be included in bookings for Skanska USA Building for the third quarter of 2014.

The project is a 17-floor office and commercial building with ground floor retail, targeting a minimum of LEED® Gold certification.

The project is expected to be completed in the fourth quarter 2015.

Skanska USA is one of the leading development and construction companies in the country, consisting of four business units: Skanska USA Building, which specializes in building construction; Skanska USA Civil, specialized in civil infrastructure; Skanska Infrastructure Development North America, which develops public-private partnerships; and Skanska USA Commercial Development, which develops commercial projects in select U.S. markets. Headquartered in New York, Skanska USA has more than 9,600 employees and its 2013 revenues were SEK 43.5 billion.
