Skanska signs a 6,700 square meter lease agreement with Evolve in the office building Parallell in Oslo, Norway

Skanska has signed a 5-year lease agreement with the flexible office provider Evolve for approximately 6,700 square meters in Parallell at Løren in Oslo, Norway. With this contract, the office building is 66 percent leased.

Parallell is designed to provide maximum use of daylight combined with efficient and flexible floor plans. The building of approximately 19,000 square meters is developed and built by Skanska and was completed in 2020.

Parallell will be certified according to BREEAM-NOR Excellent. Strict environmental requirements have been set for the building throughout its life cycle, including limited use of chemicals, recycling of materials and energy-efficient solutions. The building has a dedicated focus on the well-being and health of its users and will also be health-certified to WELL Core Gold.

Evolve is already a tenant in the building. With this lease they will expand their presence at Parallell with 5 more floors as of the fall of 2022. Other tenants include Norsk Gjenvinning and Pre Diagnostics.
