### **Skanska Awarded Contract for Additions and Renovations to Plainwell High School, Middle School and Elementary School**

**PORTAGE, Mich.** November 5 – Skanska USA Building Inc. announced today that it has been awarded a \$17.5 million contract from Plainwell Community Schools for additions and renovations to the high school, middle school and elementary school.

The project includes a new high school auditorium, an expansion of the high school cafeteria, additions and renovations to the middle school and elementary school buildings and improvements to the mechanical and electrical systems in all three buildings. Construction is scheduled to begin in Spring, 2009.

Skanska USA Building Inc. is a leading national and local provider of construction, pre-construction consulting, general contracting and design-build services to a broad range of U.S. industries including life sciences, healthcare, education, high-tech, aviation, transportation and sports and entertainment. Skanska USA Building also provides pharmaceutical validation services to clients. The company, part of the Skanska AB global group of companies, is headquartered in Parsippany, New Jersey, and has approximately 4,700 employees.

Skanska is one of the world's leading construction groups with expertise in construction, development of commercial and residential projects and public-private partnerships. The Group currently has 60,000 employees in selected home markets in Europe, in the U.S. and Latin America. Headquartered in Stockholm, Sweden and listed on the Stockholm Stock Exchange, Skanska's sales in 2007 totaled \$20 billion.
