### **Greg Craig new Business Unit President Skanska UK**

Greg Craig has been appointed Business Unit President Skanska UK. He will take on his new position as of May 8.

Greg Craig has more than 25 years of experience within building and has worked in Skanska for 14 years. The last two years he has served as Executive Vice President, Skanska UK, where he is responsible for the building operations.

Greg Craig succeeds Mike Putnam who as part of this change will continue to develop a portfolio of non-executive director positions, supporting the new Business Unit President and the Skanska Group Senior Executive Team to take the UK business forward.

"I want to welcome Greg in his new position. Greg brings a diverse wealth of experience to the role, gained across the industry over many years. He has also been very committed to industry issues on for example safety. I also want to extend a sincere thank you to Mike Putnam who has led the business to industry leading results. His personal leadership in areas such as Green, Diversity and Inclusion and Injury Free Environment has served as a role model and positioned Skanska in the industry", says Anders Danielsson, Executive Vice President, Skanska AB.
