Skanska improves office buildings in Redmond, Washington, USA, for USD 39 M, about SEK 320 M

Skanska has signed a contract with an existing client to perform tenant improvements to two office buildings in Redmond, Washington, USA. The contract is worth USD 39 M, about SEK 320 M, which will be included in the US order bookings for the second quarter 2018.

Skanska previously announced bookings for the same project in the first quarter 2018.

Construction has started, with completion scheduled for November 2018.

Skanska is one of the leading construction and development companies in the USA, specializing in building construction, civil infrastructure, public-private partnerships and commercial property developments in select US markets. Skanska USA had sales of SEK 59 billion in 2017 and has approximately 9,500 employees.
