

Press Release

Eric Bunner Promoted to Vice President of Operations at Skanska

Dallas – June 28, 2013 – Skanska USA announced today that Eric Bunner has been promoted from project executive to vice president of operations in Skanska's Dallas office.

In his new role, Bunner will serve as the top operations executive for the Dallas office managing local operations, developing new business opportunities and overseeing active projects in the area. Bunner joined Skanska in 2003 and has been working in Texas since 2005. He has worked on several notable projects including multiple projects for the Alamo Colleges, St. Phillip's Campus in San Antonio; North Hills Hospital in McKinney; and the Tri-services Research Facility in San Antonio.

Bunner graduated from the University of Wisconsin-Platteville with a Bachelor of Science in industrial technology management. He is a member of the American Society of Healthcare Engineers (ASHE) and holds an ASHE Healthcare Contractor's Certification.

Skanska USA is one of the largest, most financially sound construction and development networks in the country, serving a broad range of industries including healthcare, education, sports, data centers, government, aviation, transportation, power, energy, water/wastewater and commercial. Headquartered in New York with 39 offices across the country, Skanska USA employs more than 8,300 employees committed to sustainable construction and development and an injury-free workplace. Skanska USA Building, which specializes in building construction, and Skanska USA

Civil, which focuses on civil infrastructure, generated \$5.8 billion in revenue in 2012, representing 30 percent of Skanska's global construction revenue. Development units Skanska USA Commercial Development, which invests in and develops office and multi-family projects in select U.S. markets, and Skanska Infrastructure Development North America, which develops public-private partnerships, are both leaders in their selected markets. Global revenue of parent company Skanska AB, headquartered in Stockholm and listed on the Stockholm Stock Exchange, totaled \$19.5 billion in 2012.
