Skanska signs contract for hospital additions and renovations in Tennessee, USA, for USD 51 M, about SEK 330 M

Skanska has signed a contract with Williamson County Hospital District, Tennessee, USA to perform hospital additions and renovations on its campus. The contract value is USD 51 M, about SEK 330 M, which will be included in order bookings for Skanska USA Building for the second quarter of 2013.

The project will consist of additions totaling about 11,000 square meters and 3,500 square meters of renovations. Construction work will start in October 2013 and is expected to be completed in November 2015.

Skanska USA is one of the leading development and construction companies in the country, consisting of four business units: Skanska USA Building, which specializes in building construction; Skanska USA Civil, specialized in civil infrastructure; Skanska Infrastructure Development, which develops public-private partnerships; and Skanska Commercial Development, which develops commercial projects in select U.S. markets. Headquartered in New York, Skanska USA has approximately 8,300 employees and its 2012 revenues were SEK 37.3 billion.
