Skanska is a SMPS Three Time Award Winner

Skanska USA Building Inc. announces that it has won first place in the "Newsletter – External" category for Nationwide at the Society for Marketing Professional Services (SMPS) national convention for a second year in a row, making it the third time Skanska has won first place in the past four years.

The convention, held each year in a different city around the country, was in Hollywood, Calif. The award was presented at the SMPS annual gala awards dinner where all convention attendees were present. Skanska's Caroline Bucquet, Corporate Communications Director accepted the award on behalf of the company.

Skanska also has won a first place Jasper Award (Jersey Shore Public Relations & Advertising Association award) as well as several MarCom Creative Awards for the magazine and other marketing materials.

Skanska USA Building Inc. is a leading national and local provider of construction, pre-construction consulting, general contracting and design-build services to a broad range of U.S. industries including life sciences, healthcare, education, high-tech, aviation, transportation and sports and entertainment. Skanska USA Building also provides pharmaceutical validation services to clients. The company, part of the Skanska AB global group of companies, is headquartered in Parsippany, New Jersey, and has approximately 4,100 employees.

Skanska is one of the world's leading construction groups with expertise in construction, development of commercial and residential projects and public-private partnerships. The Group currently has 54,000 employees in selected home markets in Europe, in the US and Latin America. Sales in 2005 totaled \$17 billion.
