Skanska Appoints Brian Fitch as Project Controls Manager

Rockville, Md. – Skanska USA Building Inc. announced today the appointment of Project Controls Manager Brian L. Fitch P.E., LEED® AP to its metropolitan Washington, DC office.

Fitch brings more than 18 years of construction experience to this position. For the past eight years, he has been with Skanska assigned to their offices in Puerto Rico and New Jersey. While in these locations, he oversaw multiple construction projects for clients in a variety of business sectors.

With his current assignment, Fitch will utilize his construction expertise to provide project controls for the construction of the Adjudication Co-Location Activities Facility at Fort George G. Meade, Maryland, a BRAC project. Additionally, he will provide planning and scheduling oversight for all other projects within the Rockville office.

Fitch received his Bachelor of Science degree from Purdue University. In addition to being a licensed Professional Engineer, Fitch has received his LEED AP certification and is a Certified Planning and Scheduling Professional (PSP) through the Association for the Advancement of Cost Engineering International (ACEI).
