Skanska Promotes Dennis Georgatos to Senior Project Manager

NASHVILLE, Tenn., July 30, 2008 – Skanska USA Building Inc. announced today the promotion of Dennis Georgatos to a Senior Project Manager. Georgatos is based out of the company's Nashville office and has worked for Skanska for 10 years.

Georgatos is the Senior Project Manager for the Franklin Woods Community Hospital project in Johnson City, Tennessee, where he will oversee the construction of the 239,282-square-foot hospital. Georgatos has also overseen projects at Southwestern Medical Center in Lawton, Oklahoma, the Lewis-Gale Medical Center in Salem, Virginia and the Chippenham Medical Center in Richmond, Virginia.

Georgatos earned a Bachelor of Science degree in Architectural Engineering from Wentworth Institute of Science. He also has an American Society for Healthcare Engineering (ASHE) Healthcare Contractor's Certification. Georgatos has 12 years of commercial construction experience.

Skanska USA Building Inc. is a leading national and local provider of construction, pre-construction consulting, general contracting and design-build services to a broad range of U.S. industries including life sciences, healthcare, education, high-tech, aviation, transportation and sports and entertainment. Skanska USA Building also provides pharmaceutical validation services to clients. The company, part of the Skanska AB global group of companies, is headquartered in Parsippany, New Jersey, and has approximately 4,700 employees.

Skanska is one of the world's leading construction groups with expertise in construction, development of commercial and residential projects and public-private partnerships. The Group currently has 60,000 employees in selected home markets in Europe, in the U.S. and Latin America. Headquartered in Stockholm, Sweden, and listed on the Stockholm Stock Exchange, Skanska's sales in 2007 totaled \$20 billion.
