Skanska promotes Taddeo to Vice President of Estimating

WHITESTONE, N.Y.—Skanska USA Civil announces the promotion of Tony Taddeo to Vice President of Estimating for Skanska Koch. Tony joined the company in 1983 as an estimator. Over the past 25 years, he has worked his way up the ranks to senior estimator and now vice president.

Just last year, Tony won the Skanska Golden Hard Hat award for his consistent track record of outperforming. He is also noted throughout the company for his mentoring efforts. “He’s taken very young guys and developed them in his department to be very effective employees for us,” says Bob Koch, President of Skanska Koch.

He has been instrumental in securing some of Skanska’s most high-profile projects, including the Triborough Bridge Deck Replacement and the Manhattan Bridge Rehabilitation Project.

Skanska USA Civil focuses on the construction of traffic infrastructure and facilities for power, water and water treatment. The company has about 3,800 employees and operations in the eastern US, Colorado and California. Skanska USA Civil’s revenues amounted to about USD 1.6 billion in 2007.

Skanska is one of the world’s leading construction groups. In the United States, Skanska’s three U.S. businesses include: Skanska USA Building, which specializes in building construction; Skanska USA Civil, which is focused on building civil infrastructure; and Skanska Infrastructure Development, which develops public-private partnerships. The Skanska Group currently has 56,000 employees worldwide, more than 8,000 of whom work in the United States. Headquartered in Stockholm, Sweden, and listed on the Stockholm Stock Exchange, Skanska’s sales in 2006 totaled USD 17 billion.
