Skanska Receives Corporation of the Year Award from United Minority Contractors of North Carolina

DURHAM, N.C., July 15, 2008 – Skanska USA Building Inc. announced today that it has received the Corporation of the Year Award, presented by the United Minority Contractors of North Carolina. This honor acknowledges a company’s outstanding achievement in the development and support of outreach opportunities within the Carolinas’ minority communities.

“Skanska is committed to providing opportunities for its potential partners in the growing minority community,” said Renee Jones, Skanska’s Subcontractor Program Manager. “It is a tremendous honor to receive this award and we look forward to continuing to drive opportunities for minority-owned contractors.”

Skanska received this award during the National Association of Minority Contractors Conference (NAMC) in Charlotte, North Carolina, June 18 – 21.

NAMC’s mission is to address the needs and concerns of minority contractors throughout the nation.

- MORE -

Skanska USA Building Inc. is a leading national and local provider of construction, pre-construction consulting, general contracting and design-build services to a broad range of U.S. industries including life sciences, healthcare, education, high-tech, aviation, transportation and sports and entertainment. Skanska USA Building also provides pharmaceutical validation services to clients. The company, part of the Skanska AB global group of companies, is headquartered in Parsippany, New Jersey, and has approximately 4700 employees.

Skanska is one of the world's leading construction groups with expertise in construction, development of commercial and residential projects and public-private partnerships. The Group currently has 60,000 employees in selected home markets in Europe, in the U.S. and Latin America. Headquartered in Stockholm, Sweden and listed on the Stockholm Stock Exchange, Skanska's sales in 2007 totaled \$20 billion.
