### **Skanska awarded construction management contract for research campus expansion in USA**

Skanska has signed a construction management contract with a confidential client for the expansion of its pharmaceutical research campus, located in the Northeast region of the USA. Skanska will oversee all construction operations for the project for USD 450 million, about SEK 3 billion, which will be included in the order bookings for USA Building for the first quarter 2012.

Work on the project has begun and is scheduled to be completed in 2015.

Skanska USA is one of the leading development and construction companies in the country, consisting of four business units: Skanska USA Building, which specializes in building construction; Skanska USA Civil, specialized in civil infrastructure; Skanska Infrastructure Development, which develops public-private partnerships; and Skanska Commercial Development, which develops commercial development projects in select U.S. markets. Headquartered in New York, Skanska USA has approximately 7,400 employees and its 2010 revenues were SEK 31.3 billion.
