Skanska to build bus depot in Gustavsberg, Sweden, for SEK 375 M

Skanska has signed a contract with AB Storstockholms Lokaltrafik, SL, for constructing a new bus depot in Charlottendal, Gustavsberg, east of Stockholm in Sweden. The contract is worth SEK 375 M, which will be included in order bookings for Skanska Sverige the second quarter 2013.

The bus depot will be situated in Ekobacken 1, about two kilometers south of central Gustavsberg. It will be dimensioned for 140 buses and will, amongst other things, include a workshop, parking lots and offices.

Project work will start immediately and construction is planned for mid-January 2014. The facility is planned to be completed in the summer of 2016.

Skanska Sweden is one of Sweden's largest construction companies, with operations in building and civil-engineering construction. The business unit has approximately 11,000 employees and revenue in 2012 amounted to approximately SEK 30 billion. In Sweden, Skanska is also active in the development of residential construction and commercial premises.
