Skanska conducts civil engineering works at the naval base in Karlskrona, Sweden, for about SEK 300M

Skanska has signed an agreement with the Swedish Fortifications Agency to carry out civil engineering work at the naval base in Karlskrona, Sweden. The contract is worth about SEK 300M, which will be included in the order bookings for Sweden for the first quarter of 2024.

The project includes civil engineering- and installation works.

Construction will begin in March 2024 and is expected to be completed in September 2026.
