Skanska signs construction contract for medical office building for \$40 million

Nashville, January 10, 2018 – Skanska has signed a contract with Williamson County Hospital District (dba Williamson Medical Center) to manage the construction of a new medical office building in Franklin, Tennessee. The contract is worth \$40 million which will be included in its U.S. order bookings for the fourth quarter 2017.

The project includes a 121,000-square-foot, free-standing medical office building, tenant buildout and site development on Williamson Medical Center's main campus.

The project architect is Earl Swensson Associates. Construction is scheduled to begin this month and is slated for completion in early 2019.
