Skanska signs additional contract for a data facility in western USA for USD 65M, about SEK 600M

Skanska has signed a contract with an existing client for additional work on a new data facility in the western USA. The contract is worth USD 65M, about SEK 600M, which will be included in the US order bookings for the first quarter 2022.

The work is underway and is slated for completion in January 2023.
