### **Skanska Awarded Construction Management Contract for Headquarters Building**

July 9, 2012 – Skanska has signed a construction management contract with a confidential client to build a new headquarters building in the Northeast. The contract value for Skanska is \$55 million, which will be included in order bookings for Skanska USA Building for the second quarter.

Skanska will construct the building's core and shell to produce its overall structure envelope and building-level systems, including central heating, ventilation and air conditioning.

Construction has begun and is scheduled for completion during the summer of 2013.
