### **Skanska Hires Lantrip as Vice President**

**DURHAM, N.C., November 17, 2008** – Skanska USA Building Inc. announced today that Kay Lantrip has joined the company’s Durham, North Carolina office as Vice President. Lantrip brings more than 25 years of operational management experience to the company.

“Kay’s knowledge is invaluable to our team,” said Scott MacLeod, Skanska’s Area General Manager. “Her client-oriented approach to project delivery and business development will undoubtedly enhance our service capabilities in the Triangle, which makes her a vital addition to our team.”

Prior to joining Skanska, Lantrip served as an Executive with Earth Tech Inc., where she led development efforts for design, architectural and construction services. In this role, Lantrip helped establish relationships and facilitate communication among owners, architects, engineers, subcontractors and employees.

– More –

Lantrip graduated from the University of Illinois with a bachelor's degree in civil engineering. She is a LEED® accredited professional and has her Building and Highway Contractor License in North Carolina.

Skanska USA Building Inc. is a leading national and local provider of construction, pre-construction consulting, general contracting and design-build services to a broad range of U.S. industries including life sciences, healthcare, education, high-tech, aviation, transportation and sports and entertainment. Skanska USA Building also provides pharmaceutical validation services to clients. The company, part of the Skanska AB global group of companies, is headquartered in Parsippany, New Jersey, and has approximately 4700 employees.

Skanska is one of the world's leading construction groups with expertise in construction, development of commercial and residential projects and public-private partnerships. The Group currently has 60,000 employees in selected home markets in Europe, in the U.S. and Latin America. Headquartered in Stockholm, Sweden and listed on the Stockholm Stock Exchange, Skanska's sales in 2007 totaled \$20 billion.
