Skanska Appoints Ravindra Joshi To Senior Project Manager

Skanska USA Building Inc. announced that Ravindra Joshi has joined the company's Philadelphia office as Senior Project Manager.

The 33-year construction veteran's first project in his new role will be Capital Health System Replacement Hospital in Lawrenceville Township, N.J. Joshi will be responsible for the supervision of the project team operations.

The new replacement hospital includes a 120,000-square-foot outpatient imaging/cancer center, a 150,000-square-foot medical office building and a 750-car parking garage.

Prior to joining Skanska, Joshi was Senior Project Manager for Gilbane Building Company, a privately owned construction firm, where he oversaw the construction of the Christiana Landing Tower in Wilmington, Del.

Joshi holds a Bachelor of Science in Civil Engineering from Poona University in Poona, India.

"I'm confident Ravi's extensive background with complex projects will lend itself well to Skanska's continued commitment to excellence on all our projects," said Ed Szwarc, Skanska's Philadelphia Area General Manager.

Skanska USA Building Inc. is a leading national and local provider of construction, pre-construction consulting, general contracting and design-build services to a broad range of U.S. industries including life sciences, healthcare, education, high-tech, aviation, transportation and sports and entertainment. Skanska USA Building also provides pharmaceutical validation services to clients. The company, part of the Skanska AB global group of companies, is headquartered in Parsippany, New Jersey, and has approximately 3,800 employees.

Skanska is one of the world's leading construction groups with expertise in construction, development of commercial and residential projects and public-private partnerships. The Group currently has 56,000 employees in selected home markets in Europe, in the U.S. and Latin America.

Headquartered in Stockholm, Sweden and listed on the Stockholm Stock Exchange, Skanska's sales in 2006 totaled \$17 billion.
