Long Joins Skanska as Senior Project Manager

Skanska USA Building Inc. announces that Darin Long has joined the company as senior project manager. Long previously served as project manager for Centex Construction before joining the Skanska team and has more than 17 year of experience in the construction industry.

Skanska USA Building Inc. is a leading national and local provider of construction, pre-construction consulting, general contracting, design-build and pharmaceutical validation services to a broad range of U.S. industries, including pharmaceutical and biopharmaceutical, educational, high-tech, healthcare, aviation, transportation and sports and entertainment. The company, part of the Skanska AB global group of companies, is headquartered in Parsippany, New Jersey, and has approximately 4,100 employees.

Skanska AB, based in Stockholm, Sweden, is one of the world's leading construction groups with expertise in construction, project development of commercial and residential projects and public-private partnerships. Skanska is committed to finding innovative solutions by cooperating closely with customers and combining the company's international expertise with local presence. The Group currently has 53,000 employees in selected home markets in Europe, in the US and Latin America. Sales in 2004 totaled \$17 billion.
