Skanska Doubles Up for Habitat for Humanity

PHILADELPHIA (September 3, 2008) - Skanska USA Building Inc. announced today that it has showed its commitment to Habitat for Humanity by volunteering at two separate Pennsylvania construction project sites.

The first group of volunteers, comprised of Skanska office and field personnel, continued the renovation work to a duplex in Pottstown, Pa., where Skanska first volunteered in November, 2007.

The second group helped build a new townhome in Upper Dublin, Pa., working along side the future homeowner.

Habitat for Humanity established a Montgomery County, Pa., chapter in 1989 and have since built and renovated 37 homes for deserving families. Skanska's Philadelphia office began volunteer work with the Montgomery Chapter in 2007.

The Habitat for Humanity Outreach Program is led by Rick Taylor, Director of Project Accounting and Susan Martin, Estimating Technical Assistant, both from Skanska's Philadelphia office.

Skanska USA Building Inc. is a leading national and local provider of construction, pre-construction consulting, general contracting and design-build services to a broad range of U.S. industries including life sciences, healthcare, education, high-tech, aviation, transportation and sports and entertainment. Skanska USA Building also provides pharmaceutical validation services to clients. The company, part of the Skanska AB global group of companies, is headquartered in Parsippany, N.J., and has approximately 4,700 employees.

Skanska is one of the world's leading construction groups with expertise in construction, development of commercial and residential projects and public-private partnerships. The Group currently has 60,000 employees in selected home markets in Europe, in the U.S. and Latin America. Headquartered in Stockholm, Sweden and listed on the Stockholm Stock Exchange, Skanska's sales in 2007 totaled \$20 billion.
