Skanska To Receive American Concrete Institute Award for Construction of Regency Furniture Stadium

Rockville, Md. – Skanska USA Building Inc. announced today that the Maryland Chapter of the American Concrete Institute (ACI) has selected the company to receive its Award of Excellence in Concrete for the recent construction of the Regency Furniture Stadium in La Plata, Maryland.

The \$19 million stadium was built in cooperation with the team’s owners Brooks Robinson of Maryland Baseball, LLC and Charles County, Maryland. Named Regency Furniture Stadium, the 4,500 fixed-seat baseball stadium hosts all home games for the Southern Maryland Blue Crabs, a professional baseball team in the Atlantic League.

The new ball park offers a multipurpose design for several sports, 16 skyboxes and a full range of family friendly features and attractions to bring the sport to all age groups of baseball fans in the region.

The entire project team will be recognized at the Annual Concrete Awards Banquet on May 28, 2009 at the Engineering Society of Baltimore on West Mount Vernon Place. Team members include:
