### **Skanska awarded two contracts totaling USD 390 M, SEK 2.8 billion, in Ontario, Canada**

Skanska has been awarded two construction management contracts totaling USD 390 M, about SEK 2.8 billion, in Ontario, Canada. The value of both contracts will be included in the third quarter order bookings.

The contracts are for the construction of a new back office facility and for the expansion of an existing facility. The new projects will apply to become LEED Silver certified.

Construction work will commence this summer and finish in early 2012.
