Skanska to construct delivery center for Boeing in Washington for USD 50M, about SEK 323M

Skanska has signed a contract with the Boeing company to construct its delivery center in Everett, Washington, for USD 50 M, about SEK 323 M. The order will be included in the bookings for USA Building in the fourth quarter of 2011.

Skanska has previously built manufacturing facilities and office spaces for Boeing. The work will begin in January 2012 and will be completed in the first quarter of 2013.

Skanska USA is one of the leading development and construction companies in the country, consisting of four business units: Skanska USA Building, which specializes in building construction; Skanska USA Civil, specialized in civil infrastructure; Skanska Infrastructure Development, which develops public-private partnerships; and Skanska Commercial Development, which develops commercial development projects in select U.S. markets. Headquartered in New York, Skanska USA has approximately 7,400 employees and its 2010 revenues were SEK 34.3 billion.
