

VOTING FOR YOUR FAVOURITE BUSINESS IN THE EUROPEAN BUSINESS AWARDS?

Register your vote now by following these simple step-by-step guidelines...

- Go to www.businessawardseurope.com
- There are two ways to vote for your favourite business, either by COUNTRY or by CATEGORY. Simply select 'vote by Country' OR select 'vote by Category' as you prefer
- **If you are voting by COUNTRY** - choose which country by clicking on the relevant country flag. **If you are voting by CATEGORY** – choose which category by clicking on the relevant category icon
- Click on the video entry you wish to view and vote for
- To register your vote type in your email address in the "Vote for this entry!" box and click on the VOTE button. This will generate a link that will be sent via email to your inbox.

- Go to your email inbox, open the email received from the European Business Awards and click on the link provided in this email to register your vote. Alternatively, simply click on the login link also provided in this email and type in the password to register your vote.

- Note that the email will also provide you with a login link and password. You can use this information as an alternative to registering your vote. Remember to keep the login and password handy as you will need to use it again to log in if you would like to refer back to your vote later.

NOTE THAT ONLY ONE VOTE CAN BE REGISTERED FROM AN EMAIL ADDRESS
